

## Materials and Resources Deals for February 2019

Company Name	Description	Deal Synopsis
Joshen Paper & Packaging Company (New Jersey Branch)	Distributor of packaging and paper supplies. The company's sanitation, packaging and office supply products include fruit and gift basket supplies, fixtures and displays, labels and sign cards, office supplies and specialty printed products, pharmacy supplies, matched themed packaging products, floor care equipment and other related products.	The New Jersey branch of Joshen Paper & Packaging Company was acquired by Imperial Dade, via its financial sponsor Audax Group, through an LBO on February 26, 2019 for an undisclosed sum.
Maytag Dairy Farms	Manufacturer of classic cheese. The company offers white cheddar, yellow cheddar, swiss cheese, blue cheese and other multiple types of cheese to customers.	The company was acquired by Midwest Growth Partners through an LBO in February 2019 for an undisclosed sum.
SePRO	Manufacturer of sustainable agriculture based specialty products. The company offers products for plant protection and management which include plant growth regulators, herbicides, insecticides and fungicides, providing the agriculture market with products which manage invasive weeds and algae in terrestrial as well as aquatic environments.	The company was acquired by Excellere Partners on February 7, 2019. The partnership with Excellere Partners allows the company to implement a multi-faceted growth strategy comprised of investments that enhance infrastructure, continued penetration of existing products, commercialization of a pipeline of new technologies and complementary partnerships with leading agricultural and water-focused specialty chemical businesses.
